

**“Catchy music, entertaining dancing,
colorful characters, and plenty of heart”**

After 1,000 years of faithful service, Santa Claus has decided to retire. But not all the elves in Santa’s Workshop are too thrilled about his chosen replacement. With the help of his tech-savvy daughter, Beatrice, website designer Nick is in for the adventure of his life as he prepares to take over the reins to Santa’s sleigh ... before the next Christmas! Jingle jam-packed with a sleigh full of fun, energetic, and original Christmas music, Santa Claus: The Musical is sure to put you and your entire family in the holiday spirit!

Santa Claus the Musical ... highlights the challenges of change, the power of family and friends believing in you, and the importance of being honest and kind to others. ...

A jolly good time with a lesson to boot that should absolutely be part of your holiday traditions.”
